

"I get a kick out of hearing people talk about the good old days," says Mrs. Avalon M. Bossler of 11 Railroad Ave., Leesport, Pa. "But I wouldn't want to give up our modern way of living!"

"Take my automatic electric water heater, for instance. It's just great! Believe me, Grandma never had it so good! When you have a house to keep clean—and laundry to do—and lots of dishes—you really appreciate the convenience of an electric water heater. It makes life so much easier!"—(Advt.)
